I'd love to welcome you for a visit and explore how this space can support your work with children and families.

## Why Work From Here?

The clinic offers a neutral, shared workspace where independent practitioners operate fully under their own professional name, own business license, managing their own clients, billing, and administration. You maintain complete professional autonomy, with no partnership or employer-employee relationship involved. All practitioners are required to hold their own professional liability insurance and comply with their respective licensing and regulatory requirements.

## Additional benefits include:

- ✓ Family-friendly environment with access to specialized OT/therapy tools
- ✓ No long-term lease commitments — grow your practice at your own pace
- ✓ Opportunities for professional networking and referrals within the clinic community
